March Update

We will be holding our second 2-day seminar for single gals. Last year the Lord blessed so much; we decided to do it again. Many unbelievers have signed up to come so we are excited to see what God is going to do.

We have also received several new families into the Casa de Tesoros, it is a very full house. One of the mothers is 4 months pregnant and in danger of a miscarriage. Please keep her and the other families in your prayers as all adjust to living such a new and different life in the Home.

Thank you for your prayers. Please do remember John, as he will be in Uruguay from March 8 to March 15, preaching and teaching in some outreaches, churches, and in the prison.

God bless you.

John and Laurie Barillaro
