Mexicali, Mexico

August Update

The Lord has blessed us with another classroom for the growing number of children in our church. It is another mobile home which we set up out in the field and is big enough for two big classrooms.

Our teacher's seminar was great; the children's ministers were so encouraged and are putting into practice the things taught at the seminar. We are gearing up now for the outreach in Whittier and for a VBS and family camp this month.

Please pray with us as we have submitted our paperwork to become Mexican citizens. It has been a very long, difficult and costly process to arrive at this point--and the struggle isn't over yet. Truly it is much more difficult to become a Mexican citizen than it is to become an American one!

Thank you for your prayers.

God bless you.
