New Study Series - The Book Of Judges

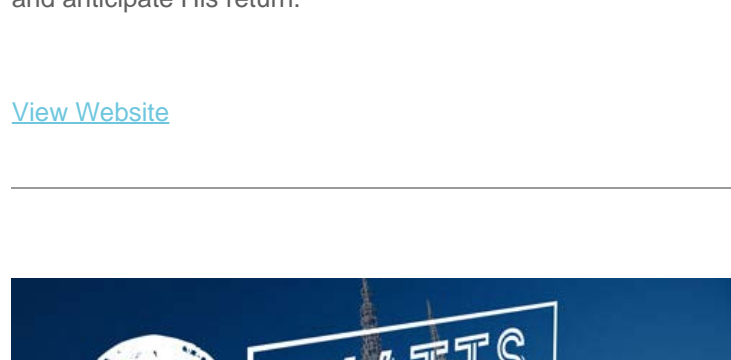

Starting Wednesday, July 5th Pastor Jack will begin a new study series in the book of Judges. Remembering the past teaches us countless lessons about how to live today. The Israelites forgot the miraculous events that brought them to their land and the covenant that united them to their God. They went from being faithful to unfaithful over and over again. But God did not forget His covenant—and because of His great love for His people, He disciplined His sinful children so that they might return to Him.

Question & Answer Night

Have any Bible questions you'd like answered? We're having a Bible "Question & Answer" night with Don Stewart of Pastors Perspective this Wednesday, June 28th at 7:00 PM. Come to ask a question or to just listen and learn!
